Geospatial Skills Activity Book Level 6

Geography Teachers' Association of Victoria Inc.

ABN 65 550 382 751

Due to teacher feedback and demand, the GTAV has produced a companion book to the very popular Geospatial Skills Activity Book 5.

Features:

- Highly successful tear-out, double-page sheets
- A self-contained resource with colour and black-and-white data
- Data includes topographic maps, satellite images, photographs, maps, graphs, diagrams and tables.
- Interesting and fun activities to apply Geography skills
- Topics include: coasts, rivers, megacities, wind farms, population and development issues, tourism, land use and natural systems.

Suitable for Years 9 and 10 Geography and Humanities classes across Australia. Useful for classroom and homework activities.
