

# NEW GTAV Resource Topographic Map Set

The GTAV has produced a new Topographic Map Set comprising four-A2 posters with topographic map and aerial photograph. The maps are Bundalong (on the Murray River), Hotham Heights, Port Campbell and Toolangi.

## CD-ROM

The CD-ROM provides you with five **GeoPDF enabled maps** – Bundalong, Hotham Heights, Port Campbell and Toolangi **PLUS** a **BONUS** one of Phillip Island. GIS-like features include the ability to measure length and area, turn layers on and off and search map attributes. You can zoom in on a particular region/study area and look at specific features in detail.

## Student activities – FREE!

Teachers buying these maps have access to curriculum support material on the GTAV Website at [www.gtav.asn.au](http://www.gtav.asn.au). These have been written for VCE and VELS and include many activities utilising spatial concepts. The topics covered include national/marine parks, recreation and tourism, coastal landforms, agriculture, water resources and management, settlement, alpine regions, river catchments and forests.
