## What is GTAV?

The Geography Teachers' Association of Victoria Inc. is

- a membership organisation committed to the professional development of teachers, academics, students and others interested in geographical education
- a progressive, up-to-date association of national and international standing
- affiliated with (AGTA), the Australian Geography Teachers' Association.

### Mission Statement

Geography offers all students the opportunity to:

- experience a unique perspective of environments, peoples and their interaction;
- develop knowledge, skills and values that enable them to explore and understand the world.

The GTAV is committed to excellence in geographical education in Victoria. This is achieved by:

- providing leadership in geographical education;
- promoting the value and place of geography teaching and learning;
- fostering participation of, and collaboration between students, teachers and the wider community;
- providing quality services and support.

## Join GTAV

The GTAV provides:  
Consultancy

access to advice and referral services provided by the Education Officer for implementation of the VCE, Humanities education and promotion of geography

Curriculum

dissemination of curriculum developments in Geography and geographical education, support to teachers implementing Geography and Humanities education from P- 12

Journals

4 issues of *Interaction* journal and 4 issues of *GTAVNews* annually providing information on latest developments in Geography and geographical education

Orbis Library

access to a collection of over 6000 items, including journals, for the use of all members

Professional development

the opportunity to be involved in various sub-committees: Annual conference, Curriculum, *Interaction*, Information and technologies; Membership/marketing; Professional development; Study tours. Members can join local networks. An extensive program of in-service activities, annual conference, seminars for VCE students is offered at membership rates

Representation

active involvement in major educational issues affecting schools through representation on statewide education/curriculum committees and at national forums

Resources

quality curriculum materials developed by the GTAV at members' rates, access to units of work, course outlines and curriculum statements

Specialised Projects

the promotion of the Geography Action Week; the implementation of the Professional Development of Global Education Victoria Project. This program is funded by AusAID, the Australian Agency for International Development, to promote greater awareness of global development issues to teachers. The Project offers professional development in global issues and teaching strategies to the pre-service area, and to primary and secondary teachers across all domains and all educational sectors. The Project encourages the use of the Globaled website and provides distance education for teachers.

**GEOGRAPHY TEACHERS' ASSOCIATION OF VICTORIA INC.**
