This program is designed for those teachers who are new to VCE Geography and those who have not taught VCE Geography for a while. This is an opportunity to work with experienced teachers and network with colleagues to learn about choosing suitable content, how to meet the requirements of the course and ways to enhance effective learning. This is also an opportunity to network with colleagues.

Bring along your *VCAA Study Design* and *VCAA Assessment Handbook*. If you cannot find the copies in your school check on the VCAA website [www.vcaa.vic.edu.au](http://www.vcaa.vic.edu.au)

This professional learning opportunity will contribute to satisfying the **Standards of Professional Practice** and you are accessing knowledge and experience from outside your immediate work environment. During the day there will be opportunities to draw on aspects to satisfy the following standards.

Professional Knowledge		Professional Practice			Professional Engagement	
Teachers know how students learn and how to teach them effectively	Teachers know the content they teach	Teachers plan and assess for effective learning	Teachers create and maintain safe and challenging work environment	Teachers use a range of teaching practices and resources to engage students in effective learning	Teachers reflect on, evaluate and improve their professional knowledge and practice	Teachers are active members of their profession
