Spatial from scratch

This registration form is also available on the GTAV website www.gtav.asn.au

Wednesday 5th May 2010 1pm – 4pm

Coburg Senior Secondary College

There are 12 places available

The aim of this full day professional learning activity is for participants to develop learning activities that incorporate the use GIS. The main focus is on developing practical examples for VELS levels 5 and 6 that participants can use with their students. The professional learning will enable participants to

- What is spatial technology
- Spatial web sites – free
- Google Maps
- Google Earth

This session will be presented by Rebecca Nicholas.

*This professional learning opportunity will contribute to satisfying the **Standards of Professional Practice** and you are accessing knowledge and experience from outside your immediate work environment. During the day there will be opportunities to draw on aspects to satisfy the following standards.*

Professional Knowledge		Professional Practice			Professional Engagement	
Teachers know how students learn and how to teach them effectively	Teachers know the content they teach	Teachers plan and assess for effective learning	Teachers create and maintain safe and challenging work environment	Teachers use a range of teaching practices and resources to engage students in effective learning	Teachers reflect on, evaluate and improve their professional knowledge and practice	Teachers are active members of their profession
