

New VCE Geography Textbooks

The GTAV is publishing two exciting new textbooks to replace **New Perspectives** and **New Perspectives Supplement**. The changes and new material take into account the many suggestions and ideas provided by VCE Geography teachers. **Order now for 2012.**

Geography Environments (VCE Units 1 and 2)
\$54.95
ISBN: 978-1-876703-21-9

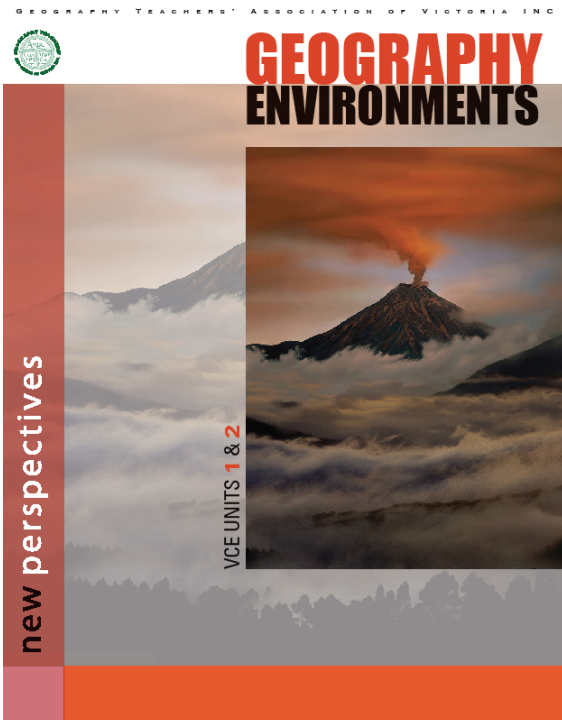

Resources & People (VCE Units 3 and 4)
\$79.95
978-1-876703-22-6

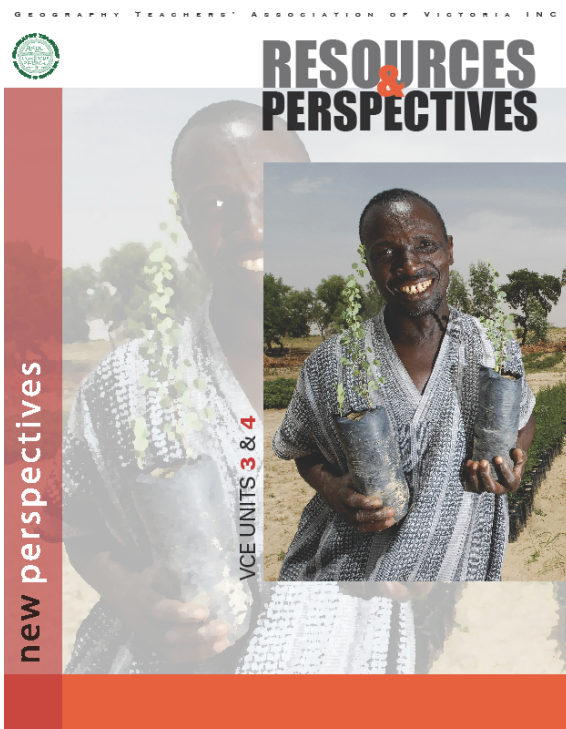

What to expect in the new textbooks

- ◆ All topics have been fully revised and updated providing students with the current information and data to meet the VCE Geography study design outcomes.
- ◆ The chapters in *Geography Environments (VCE Units 1 and 2)* include a sample SAC for students to complete.
- ◆ *Resources and Perspectives (VCE Units 3 and 4)* includes a chapter with sample annotated questions and answers that guide students on how to approach exam questions.
- ◆ The skills chapter in each text book includes examples appropriate to the topics studied for Units 1 and 2 / 3 and 4.
- ◆ Two new chapters in *Resources and Perspectives – A Local Farming Resource and Disease*.
- ◆ A new emphasis for the Phillip Island chapter as *Cape Woolamai: a local coastal recreation resource*.
- ◆ A glossary of terms at the end of each unit section.
- ◆ Key knowledge and skills specified throughout each chapter.
