To support teachers and students in the first year of the new VCE Study Design, the GTAV is publishing TWO Trial Exams.

GTAV TRIAL EXAMS 2016

- Provide students with the best opportunity to address the key knowledge and skills specified by VCAA in the Study Design under exam conditions.
- Written by highly-experienced VCE Geography teachers who have presented at GTAV VCE conferences and workshops and, in some cases, been authors or reviewers of the very successful GTAV VCE textbook series.
- Each exam incorporates a colour A4 booklet using a variety of colour data – maps, graphs, photographs, tables and text extracts.

WHAT YOU GET

Each Trial Exam pack (A and B) includes:
- 1 set of 15 printed, high-quality colour Data booklets*
- 1 Question booklet (Blackline master format)
- 1 set of Guidelines for student responses
- 1 Marking sheet.

*No need for schools to do their own colour printing.

As this is the first year of the new Geography Study Design, the GTAV has consulted widely to provide a trial exam that is as accurate as possible for VCE Geography students.

The GTAV takes no responsibility for any inaccuracies in the format or marking that may be different from the VCAA final exam in 2016.
